

Anthony C Mulberg

March 8, 1952 - December 15, 2017

Anthony C. Mulberg, age 65, beloved husband of Gladys, widower to Lucia and father of Erik, Jessica, and Emanuel, passed away on Dec. 15, 2017, from congestive heart failure.

Anthony was born in Vancouver, B.C., Canada, and raised in Seattle, Wash., the eldest of four brothers. Tony's life was filled with love, compassion, adventure and, above all, the remarkable drive to help others.

Tony would first do this by enlisting in the U.S. Air Force as a medic. Upon being discharged, he returned to school to receive his bachelor's degree at the University of Washington. After graduating, he accepted a position as a federal law enforcement officer. After a few short years in law enforcement, he decided to become a teacher.

Later he found a new calling and decided to go back to school to become a physician. He attended the Los Angeles College of Chiropractic and practiced as a chiropractor and acupuncturist for almost 20 years in California and Arizona. He would eventually return to teaching in his later years with the Mesa Unified School District. He loved his students, his patients and his family.

Tony is survived by his father Clifford and brothers Terry, Ron and Chuck, as well as several nieces and nephews. Funeral services in honor of Tony will be at 10 a.m. Friday, Dec. 22, 2017, at the Church of Jesus Christ of Latter Day Saints, 7885 E. Long Look Drive in Prescott Valley, with visitation one hour prior to the services at the church.

Burial will be at Heritage Memorial Park in Dewey. Arrangements entrusted to Sunrise Funeral Home. All friends and relatives are encouraged to visit www.sunrisefuneralhome.com for additional information and to sign the online guestbook.

“ What a wonderful surprise it was in July 2016 when I saw Gladys, Tony and Manny walk in the front door at small dinner party I was invited to. I had no idea they knew the host and hostess. I had never met Tony before but had such an enjoyable time as we all visited in Connie and Mike Beebe's living room. As I often have the tendency to play interrogator I learned a great deal about Tony and his life as he responded to my questions. I still recall that sweet spirit of his that I felt when he talked about his life.

With love to Gladys, Manny and their extended family,
