“ Dearest Justin, you are so greatly missed & loved.  
Your smile, your love for children & all creatures great & small.  
You always came to help me put doggie doors in & fix things. Nicky would cut the girls hair & you would be installing yet another thing in your aunt Jackie's house. You were a role model to Joe & Lillie loved you so.  
Joe looked up to you and shares your love of creatures. I'll never forget the time you talked me into letting Joey have that enormous trantula. It wasn't just any tarantula, it was the biggest spider that ever existed. A 'bird eater trantula' tropical & larger than a dinner plate. You walked in holding it like a new puppy. I don't know how you did it , but I ended up not only letting Joey keep it , but I actually liked that darn spider.  
Darling nephew the worlds creatures will miss your loving care.  
Hearts are broken ~ rest in paradise sweet nephew,
