“ I remember Ken coming to our house in football season to watch the Detroit Lions game. He and I in the basement being very loud. Good times. Sometimes the Lions won the game.

“ Ken was a very special person in my life. He was not only a past brother-in-law but a very dear friend. He loved to laugh, take walks, golf and drink his favorite beverage coffee. He survived many obstacles and trials in his life but as my Granddaughter Shelby said he was indeed a survivor. We enjoyed his visits to Florida and the love and caring he had for others to help solve their own challenges. May he Rest In Peace and be with the heavenly angels and see the face of Jesus., Love,Maggie and
