October 1, 1959 - August 9, 2019

SANDRA M. (WELCH) DAVIS - Of Cordes Lakes, Arizona, formerly of Wilmington, Massachusetts, passed away in her home Friday night, August 9th, 2019. She was 59 years old.

Sandy talked about things like playing in the rain and found the beauty in just looking at the sky. She lived humbly and always appreciated the small things in life. Her selflessness and deep compassion for others were her superpowers. She had an incredible ability to not only make people laugh but also to laugh at herself and has influenced countless people's lives through laughter and empathy. Sandy always saw the best in people, with her unconditional love and acceptance she believed that anyone could achieve anything they put their mind to. She was an amazing person with a huge heart, who could make a connection with everyone she met. Her love was absolutely boundless. She was an endlessly devoted mother to her children, who were the center of her world.

Sandy is survived by her partner of 9 years Robert Urquhart Jr, as well as her children, Navi Davis and their partner Isaac, and Paul Davis. She also leaves behind her sisters Debbie Convery, Cathy Fichtner, and Sharon Morgan-Jones and her husband Michael Jones. She had one grandson, Aiden Reidy, and many nieces, nephews, cousins and friends. She was predeceased by her parents Donald and Alice Welch, and her two sons Jason and Cory Reidy.

Sandy will be sorely missed by many, and she will forever remain in the hearts of those who knew her. There are no calling hours; following cremation a memorial service will be held at a later date.

“ Sandy was an honest, loving, caring and generous friend. She had a way of bringing out the best in people and could always make you laugh even if you didn't feel you could. I am going to miss her terribly but I know life has not always been easy for Sandy and now is her time to rest peacefully. Love you always, my sweet friend.
