“ *Grandma, Its been really hard since you past on. I am so grateful I was able to spend the time I did with you. You always brought a smile to my face and I loved making you laugh so hard you would cry. You are the sweetest grandmother in the world and have left your imprint in many hearts! I always enjoyed listening to your stories about your child hood and there is nothing better in this world than grandma's famous cookies. Canasta will never be the same with out you and even though you are gone you are still so close to my heart. I love you and appreciate all the wonderful memories you have left behind. Truly a remarkable soul, that will be greatly missed for the rest of my days... I love you Grandma!*

“ *I was truly blessed to get to meet Agnes twice. Sitting with her, she was full of great stories and conversation that always left me wanting more. She was so inviting, charming & sweet and always made me feel welcome and warm, that my only regret was that we didn't have even more time to embrace more good conversation and memories. An Amazing women with such an amazing family full of love. You will be missed Agnes.*

“ To my mother-in-law that I had the pleasure of knowing and marrying her amazing and wonderful daughter Sherilee. She had a good heart, giving kind soul to all that knew her. I'm especially grateful for her love and friendship to my mom. I know I can speak for all family members, relatives, and friends, on how much she was loved and will be missed by all. Again for me, the greatest gift she gave the world, was her daughter.

“ *It's been a while since I had direct contact with Agnes But I worked with her for several years and knew her husband, Don and Sherilee and Michelle. Her family grew and we lost track except for Xmas cards. I do know how much she loved her family.*
