“ *My aunt was so special to me. She was my mother's only sister. They both had very different childhoods and each was jealous of the other. I loved the time I spent each summer with my cousins and my aunt and uncle in Bakersfield. I am going to miss her creative stories and her unusual behaviors. I loved her very much. Rest in peace Aunt Ann. I will never forget you. Janet Jeffries*

“ *My Mom was a creative person artistically. She also depended on many friends and members of her congregation upon returning to Prescott/Prescott Valley. Thanks so much for your caring, friendship, support and patience. - Kathy (daughter).*

I wanted to add this short poem by Emily Dickinson that describes where I am right now.

*The bustle in a house
The morning after death
Is solemnest of industries
Enacted upon earth, -
The sweeping up the heart,
And putting love away
We shall not want to use again
Until eternity.*

Mom, may you rest in peace. Love, Kathy
