“ *I've known Barbara for several years through our Monday afternoon Bridge Group and through Peter's service to Prescott Valley's Meal on Wheels Program.*

Barbara kept a positive attitude through some really hard times and was always a pleasant partner with whom to play bridge.

“ *Barbra or *Granny as i knew her* was a very sweet lady. My mother married her son Paul back in the 80s. From the age of 3 and on i only knew her as my grandmother. Spending time at her house in Scottsdale and up north at her house in Prescott valley. Barbra was a great grandmother. took me in as her own grandson. I look back going up seeing her and grandpa and spending the weekend was one of the greatest times i had with them. Always happy to see us. I will miss her smile. I know where ever she is she is happy..*

Love ya.

“ *I am so sorry to hear of Barb's passing. My deepest sympathy goes out to Pete & the family. Barb was so special & we shared a passion for our "fur children". She will be missed! My thoughts and prayers are with you, at this difficult time.*
