“ *None of you have ever heard of me, but this woman changed my life. As a student, she shaped my life from 1961 to 1966, when I graduated. Dr. Beck gave me a love of learning and an aspiration to achievement. My last exposure to her occurred in about 1986 when we visited the North Phoenix Baptist Church. The choir performed a composition she had written while she sang along, What an amazing lady! God bless her in heaven!*

“ *As an English major, I had Dr. Beck every semester for all four years. During that time, I came to know her as more than just an English professor. She taught me about life and how to appreciate it as a wonderful gift from God. She instilled character into her students, apparently without even trying. She never preached, and she never judged. She gave me a great love for reading and appreciating literature. She even taught me how to bake bread. "Her price is far above rubies....strength and honour are her clothing." Proverbs 31:10,25*

“ *I extend my sincere condolences to the entire Beck family. In this sad time may God's promise to reunite us with our loved ones by means of a resurrection (John 5:28,29) and your cherished memories of Betty bring you a measure of comfort now and in the days ahead.*

“ Both Drs. Beck were wonderful people and great Christians. I had Dr. Betty for several classes. I was never as good a student as I should have been, but enjoyed her classes. She was an inspiring, "alive" person. I have thought of her often through the years.

“ Dr. Beck was a great lady! Wonderful teacher and godly woman. Grand Canyon University was blessed by her and her husband, as well as a great many students from several generations.
