“ *Betty,*

We are so sad to hear of your passing. You were such a wonderful, warm, beautiful lady. We know that you are again united with Blaine, up in Heaven, and we will miss you both very much. May you both rest in eternal peace and know that you will never be forgotten.

“ *You could always count on Betty to show up with her beautiful smile. Betty and Blaine would always ask what can we do to help at Lions Events. I know because of health issues they had not been at Lions but they did leave their mark on our club. We will miss them both very much. It is right that they are together again with our Lord.*

“ *We will miss Betty deeply but know that she is now reunited with Blaine in Heaven. Betty always had a smile for everyone and was willing to help out in church activities when in good health and even if not feeling well. Her faith was truly an inspiration to us all.*
