“ *You have to come up with the money take out a loan. Sometimes people set up a fund and ask for fuaernl donations in place of flowers. Cremation is less expensive than a burial. You don't have to buy an urn. Shop around. My sister died last year and the fuaernl was only \$2,000.00, but the first place we tried they wanted \$10,000.00. Shop around and don't get anything unnecessary. Some fuaernl homes will try to rip you off.*
