“ *My sweet Aunty Jackie! This is your niece Brandy. I wanted to say that I love you very much and my heart is breaking for you. I'm so sorry that he's gone. God has taken you in his arms and and says "sweet daughter, I am here". " you are not alone, for I have gone before you and I will never leave you ". " I will take care of your most precious man and we will await the day that you may be reunited ". " I give you peace; rest in my comfort, lay your burdens at my feet and I will take care of you, know that you are loved ".*

“ I got to meet Chris a few years ago when a very special little girl came into my life. Now normally it would be a little awkward to meet and hang out with your step daughters,mothers family, but it wasn't the experience I had meeting these wonderful people! Chris and Jackie welcomed us into their home with open arms and big smiles! They made me so comfortable in what could have been the most awkward of situations, but it wasn't awkward at all. We had fun and we laughed and we made the most out of our time together. Chris was funny and light hearted and such a sweet guy. He accepted strangers into his home without hesitation, for this I am truly grateful to have gotten a chance to know such a wonderful person! Thank you Chris for being such az amazing man! You will truly be missed!!! And thank you Jackie for allowing us to become a part of all your lives as well!!!!!! We love you
