“ I remember Dalton when he was 5 and full of energy and life, loved to play out side with his brother and sister. My heart goes out to Kevin & Shelly Smith, who have lost a son at such a young age and just starting his life, and to Raymond & Tyler who have lost a brother. You all are in my prayers.

“ From friends to family, you will always be a part of my life. You will be a part of my past, future, and present. From the year of our school, to being outside school causing havoc. You were one of the best friends a lot of people have been looking for. You are in a better place now teaching God how to rap and chilling with your role model "Bob Marley". All I can think about is the times we had together. A song we used to sing together, and that I will always remember. "Don't Worry", -Bob Marley

“ Your mothers, and your family love you very much, and although I didn't know you personally, I know that you were amazing because of them. The world lost a little bit of its light the day you died. You will be missed by so many, and others will never know what they have missed...

“ We are so sorry for your family's loss. Dalton has been part of our family's life for so long. Even after Dalton moved away from Sommer Drive he would almost always come and spend time with us most every summer. Dalton was always a good guy when he was there and I know Andrew and Dalton had a lot of good times together along with all the other kids from Sommer Drive. He was a good kid who is gone way too soon.

“ Dear Dalton, I can't believe that this has really happened and you are gone already.....Your mom and I are reeling in shock. We have been raising you together for over 12 years now and I have so enjoyed watching you grow up from a little 5 year old boy when I met you, to the kind, gentle and compassionate young man that you grew up to be. I know that you had so many wonderful plans for this life, and we were looking forward to all your future accomplishments. Now, you will be forever our precious little boy-frozen in time at 17 years old, always handsome, always young and beautiful, watching over us all as our guardian angel.....we will all be together again someday on the other side.....till then, I will think of you and miss you every single day, son..... You were such a fine young man, and will forever be so now.....Rest In Peace sweetheart.....Mom and I will always love and miss you and can't wait to see you and all the elders waiting for us on the other side.....

Love you always and forever,
Momma J
