“ My dear friend Debra Hood of over 32 years introduced Dan to myself, Terrill Kelly'Barrows & my Daughter Hollie Dickinson at her Daughter Hayley's beautiful Wedding on June 28,2014 in San Marcos, CA. Deb had been telling me about Dan for many months. How they had been good friends for years but how it had turned into a special love. That they had become engaged & planned to marry. She didn't want to talk a lot about it on Hayley's special day. She had told me what a big heart Dan had. & what a wonderful man he was. She was so happy. When We got to meet him that day I saw what Deb had been talking about! He was so sweet & kind & fun we all had the best time together that week end. I am so honored that we did get to meet Dan & spend time with him. My heart goes out to my dear friend Debra and I feel so heartbroken for her to lose him so quickly. And to Dan's wonderful family. I won't be able to attend his Memorial but I will be there in spirit! Prayers & love to cover you all! Love Terrill

“ I would like to express my condolences at this time to your family. The Bible is a great source of encouragement at times like this. A comforting thought is at Revelation 21:3,4, where it states "...And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry be anymore the former things have past away". This scripture gives us hope for the future! You can also find comfort in Acts 24:15 - Death does not end it all. May Jehovah bring you comfort and peace during this difficult time. Your neighbor, S.Rubio

“ We were fortunate enough when we moved to Phoenix to have some wonderful neighbors that became more like family. Danny Lori Alisa and Danelle was one of those neighbors. They were always there for us as we were for them. Even now when we are miles apart we are there for them. We are In pain over your loss and praying for comfort for the family.
