“ *Doris was a special person in my life and in my wife's life. She was my great aunt. Even though it was a short time, she became our 2nd mom when we moved to Prescott Valley in our younger years. Her and Ken helped us out in so many ways. We kept in touch even after we moved back to Iowa, and I enjoyed her visits here. What always amazed me about Doris was her memory. We visited a little over a year ago, and she had stories about the past years that were so detailed, we just sat and listened, in awe of how sharp her memory was. Jill and I agree that it's one of the best vacations we've ever had.*

Jill and I send our sympathies to Gloria, Kel, and Con, and their families in the passing of Doris. She was a special woman, and I truly thank God for the times we had with her.

“ I first met Doris at Calvary Chapel when she helped her friend Claire greet people at the main door. Later she and I were in the same Bible study group. She told me she crocheted and knitted and invited me to her house to teach me the basics. She was very patient with me and my fumbling fingers; we talked and she shared her growing up years in Iowa on her family farm. She was a very interesting, funny and lovely person and always dressed classy. I am glad to have met Doris and my condolences go out to her family. In Christian love -Christina Armstrong

“ I am remembering you especially now with the loss of your mom. As I am playing one of your CDs, "Let Your Healing Flow" I'm thinking she must have been a very special woman to have raised you. Love and hugs, Gary and Gloria.
