“ *I'm sorry to hear about the loss of Doris. I thought of our chats over sodas, as we we waited for warm weather so we could put on our shorts and sunbathe in our yards (I usually was first). Over the years we lost contact, but she was always in my thought. Glad she is no longer in pain and is at peace.*

“ *I will never forget the infectious smile and positive attitude Doris had every time I visited with her. Doris usually had a joke or a story to tell and always told it with excitement and good humor. Of the many people on my mail route, Doris was one of the sweetest and one that I looked forward to seeing regularly.  
I will miss Doris but I am happy for her because she is now with our Lord and her twin whom, she spoke of often.  
God rest her soul.
