“ *She was my Mom. And lived her life for us. She always would give up things. Because she wanted us to have what we needed. It's Mother's Day 2017. She's been gone 4 years. And not one day has passed where I didn't think of her. And miss her tremendously. This is her day. It will always belong to her. Her incredible attitude. That bright smile that lit up a room. Her way of putting everyone at ease. And welcome. She had great wisdom. And would always know the right thing to do. I love you my Dear Mom.*

“ *I have the honor of caring for Elinor while she was living with her daughter, Patty. She would always wait for my blue truck to come in the morning. She would say to me "your truck is such a pretty blue." I have incredible memories of her and her wonderful family. She will be greatly missed and for one football game, I will root for the Patriots. She loved her Patriots and her home of Boston, Massachusetts. You will surely be missed, Miss Elinor and thank you so much for the wonderful memories. Peter and Patty, please know that my arms are wrapped around you in this time of need and I miss you as well.*

“ *I want to offer my condolences to the Halacy family on Elinor's passing. I had the pleasure of being her physician for several years in Prescott Valley and know that she had a wonderful spirit and a great laugh. She was resilient and fun to be around. I am certain she will be missed, but you can rest assured her suffering is now over.*

I will keep you in my thoughts and prayers.
