“ *Mayor Skoog served on the Executive Committee of the League of Arizona Cities and Towns for many years while I was Executive Director. He was always positive and encouraging and had a good word every time I saw him. He was an excellent example of a man who put his faith into action to the benefit of those who came in contact with him. My deepest sympathies to his family.*

“ *Remembering especially today the Skoog family and sending my condolences on this funeral day. I have many memories of Harvey throughout the years. His ever-present smile and hug were always a part of his greeting. He was truly a special person and treasured friend in faith. May the memories in your hearts help sustain you in your loss..*
