“ I enjoyed working with Tensie when we both worked for Dr. Friedman in the 1990s. Her son was a classmate of our daughter's.

“ I was so sorry to hear that Tensie had passed. We had been friends for about 50 years. I remember seeing the pictures of her baby when he first started swimming lesson. Then visiting Tensie and Elmer when Jessie was Six and just learning to read. We visited several times again as her son grew into a man. Tensie was a very proud, loving mother. During the past 20 years or more we were in contact by phone every few weeks. We had become a support group for each other as we both grew older and had both lost our husbands. I will miss Tensie greatly. We were truly friends and supported each other with our wonderful friendship.
