“ *Hazel,*

It's been a long time since I left Dewey. I never forgot about you and Hugh. We were neighbors for a short time but, Hugh and yourself were not far in my mind. I was advised by a law enforcement friend that Hugh was not doing well about a month ago. Laura relayed the information. I just wanted you to know that I will keep you in my thoughts and wish I could attend Hugh's service, but I live out of state, and have two teenage daughters, I keep a close eye on.
