

## JANELLE LYNN WYNNE

August 5, 1953 - March 20, 2023

Janelle Lynn Wynne of Prescott Valley, Arizona went home to be with our Lord on March 20, 2023. Janelle was born August 5, 1953, to Lorain and Waldemar Lasky in Fullerton, California.

Janelle graduated from Sunny Hills High School in Fullerton and went on to further her education at Fullerton College. Janelle was an administrative office manager for a plastics recycling company.

Janelle was a master afghan crafter. Many family and friends benefitted from her labors of love. When she wasn't crocheting, she loved spending countless hours fishing, camping and bird hunting. She loved her dogs too. All four of them! Deuce, Rourke, Tito and Wiggle-butt (AKA Tig).

Janelle was love and compassion. Strength and toughness. Kindness and joy. Laughter and sparkles. Her passing leaves the world a little darker with fewer laughs, and a surplus of caviar. She leaves behind a legacy of love and lessons, exemplifying the fact that she gave life her everything. Her love was a warm fire on a frigid night, and everyone was welcome around that fire because she was unconditionally giving. Janelle was a strong fighter and ran an incredible race up to the end.

While her death has caused a gaping void in the lives and hearts of her loved ones, her memory will be cherished and celebrated. A woman of simple pleasures and a constant teacher of how to "enjoy the little things in life". We will continue to live our lives in the way we were shown, through her example. Janelle is survived by her loving husband, Brian, and her 2 sons Bryce and

Ian, as well as a sister, Louella Miller. She was preceded in death by her parents, a sister, Loretta and brother Skip.

Janelle was so much to so many through the lessons and love she gave to those of us who knew her. She will live on in our hearts and souls until we meet again when we are called home by God. Until then her memory will be celebrated by all she touched and loved at St. Germaine Catholic Church in Prescott Valley, Arizona.
