“ My many years knowing Jean (Tootie) have many memories. A lot of laughter and fun. The last visit here to my home with her daughter Deb was so fun. We went out on the lake and fed the wild ducks and geese and their babies. I am putting a plaque up on the dock in her memory called "Tootie's Wharf". May she rest in peace.

“ Our last visit together was in Flagstaff AZ a year ago when Jean and Dale met me for lunch as my friend and I traveled AZ heading back to IL.  
It was a wonderful reunion altho way too brief. They had their puppies with so I met them, too. She bought them each a cookie after we had our lunch.  
It was very meaningful to me to have that time together. She is at peace now. God bless her soul.
