

Jeanette (Anderson) Herring

July 11, 1926 - August 21, 2018

Jeanette (Anderson) Herring passed away on August 21, 2018 in Prescott Valley, Arizona. She was born to Carl and Ruth (Hillquist) Anderson on July 11, 1926. She grew up on the family farm and graduated from Balaton High School in 1944.

After graduation from high school, Jeanette met and married Roy Warner Herring. When Roy was sent to be part of the United States Army occupational forces in Japan, Jeanette was allowed to join him as a spouse. For their tour of duty, she was the only American lady in the large and destroyed Japanese city of Akita.

After returning to the states, Roy and Jeanette farmed east of Marshall. Their union produced six children, Terry (Heather), Bryan, Scott (Joanne), Monte (Eva), Shaun (Paula) and Melanie (Greg Tolzmann). All survive.

During her working years, Jeanette worked for Skewes Jewelry in Marshall. After retirement, Roy and Jeanette spent winters in Arizona. After Roy's passing, Jeanette made Arizona her home and was joined there by her daughter, Melanie and her husband Greg.

Jeanette leaves behind her children, ten grandchildren, six great-grandchildren and many other family members and friends. She especially enjoyed the birthday celebration luncheons of her extended family. She leaves her many relatives and friends the memory of her happy laugh, loving personality, and her beautiful smile.

She was preceded in death by her parents; one brother, Keith Anderson; and

one sister, Doreen Nielson.

Service times and place of burial to be announced at a later date.

“ *Deepest sympathy to the whole Herring family. I was explaining to Waldo about "visiting" on Sundays and how much fun we always had hanging out on the Herring farm with our crazy cousins. It was always a really good visit if your mom made those chocolate and marshmallow bars!!*

A trip to Marshall wasn't complete unless we stopped in at Skewes to say hi to Aunt Jeanette either.

She will be missed.

*Deepest sympathy,
Jan*
