“ *Ah Jo, I really miss you. I pick up the phone to call... I drive down the road and see something that I would want to share with you. So many crazy things this year.*

This virus, Covid...

The elections...

Mom selling and moving in with me.

Darn it. Alot of things to share with you and I do. It is just a one sided conversation, which is another crazy... I luv you Jo and you will always be in my thoughts and prayers.

“ *I have so many wonderful memories of Joanne. From our Junior High days together along with Lauren (we were a trio) to our recent yearly chats on the phone. Joanne was such a good soul and a great friend. I can't imagine her not around. Like a piece of my childhood gone. She will be missed. My heart goes out to you Dennis. With deep sympathy, Robin Hoburg*

“ Gosh, I am going to miss you, Joanne. We had a rough start, when we worked together at Verizon. But we worked past our differences and turned into really good friends. I considered you my best friend. I have great memories of fun times. I have pictures, but am not computer literate enough to post them, Jo would do that for me... Traveled together, took a cruise. We were talking of future travels and visits to each others homes.

Dennis, i am so very sorry for your loss. She was a remarkable person with a really big loving heart.
