

John Fischer

June 24, 1958 - December 13, 2008

John Arnold Fischer passed into eternal life on Saturday, Dec. 13, 2008, after a courageous battle with cancer. He was born June 24, 1958, in Estherville, Iowa. After graduation from high school, John served his country in the United States Air Force, and was honorably discharged in 1980. John worked for the Town of Prescott Valley for the past 28 years. He is well-known for his backhoe skills and proudly participated in the growth of Prescott Valley, including the construction of Fain Lake, Valley of Lights and the many, many more functions of the Public Works team that we, as residents and visitors of Prescott Valley, only take for granted. He loved decorating the town for Christmas and he was right there in spirit as all the lights and decorations were hung this season. John was the town's longest employee and Prescott Valley recently proclaimed and officially named Fischer Ditch in his honor. He was an avid NHRA fan and went to many races in Phoenix, Las Vegas and Pennsylvania, as well as watching the races on television, collecting flags and model cars of his favorites and has a vast collection of hat pins from every event he ever attended. He was also a lifelong Washington Redskins fan. He loved camping and being outdoors, whether exploring, hiking, or riding his three-wheeler. His favorite area in Arizona was Sycamore Canyon, and his wish always was to have his ashes scattered there and forever be part of that canyon. John is survived by his beloved children, Jessie Fischer and Russell Fischer (Crystal); and granddaughter Juliana. Also surviving John is his mother, Patsy Leiding (Edwin); and his sisters, Louise Weeks (Rob), Sally

Hernandez (Steve), and Michelle Fischer. He also leaves behind many nieces, nephews, aunts, uncles and cousins. Preceding John in death is his father, Arnold Fischer. Funeral services will be at 11 a.m. on Thursday, Dec. 18, 2008, at Trinity Lutheran Church, 3950 N. Valorie Drive in Prescott Valley. The family requests that all join us immediately after the service in the Fellowship Hall in order to reminisce and celebrate John's life.

“ *I worked with John in Public Works and he was such a good man. He so loved this town and knew so much about it. I learned a lot from him and respect him.*

In March 2007 he planted my trees and shrubs at my new home in Granville.

I was sad that I was unable to attend the services on December 18th as I was out of town.

Condolences to the family.

“ God only invites a chosen few to His heavenly home to celebrate Christmas with Him. Yours will truly be a Blessed Christmas, John.

Like your father, you were a hard working man who truly enjoyed his job and took great pride in what he did. Now may you rest in peace.

A loving father, brother, and son.....you will be missed.

“ John was one of the most decent men I've ever known. He always had a kind word & ready smile for those he encountered.

I hope his dear children & the rest of his loving family understand how much John was respected, admired and loved by his friends.
