“ *My Uncle John left this earth on his terms. That is the way he lived his life. I have so many memories of Uncle John and the great times we had playing golf and enjoying Thunderbird Country Club. He was an important part of my getting into the golf business. Our families had such great times at the house on 1st Avenue. Remember the go cart and the hours spent on that back yard oval? John was a Man's Man. He treated every one equally. It did not matter if you were rich, poor, or were, as he stated "a hundred dollar millionaire". You got the same from Uncle John. John provided for his family in every way, including building several homes, a skill I admire so much. I will miss Uncle John, but the respect I have for him and what he gave to this world will never go away.
God Bless Arlene, Johnny, Jimmy, Cathy and Susie, and my MOM, Martha.*

MY

“ John T Reeves,with sadness I read of John Ts passing.
Sadness for his Family and circle of Friends.
Sadness for my self as John T was a great influence in my life, as
he was shutting down his business and I was just starting mine,John
provided me with some equipment from his shop.
However what I appreciated the most was
John T taking the time to talk to me about his relationship with his
customers.
he treated all as Friends and Neighbors.
That advice has served me well in my business and personal life
THANK YOU JOHN T .
I am also saddened that I did not put pen to paper and send a letter
to John
thanking him.

“ Dear Family,

I am sorry to learn of your loss. My grandfather was Thacker Millard Turner who is the brother of John's mother, Helen Victoria Turner Reeves. I lost my mom, Roberta Rose Turner Tiffany in 1977 and my grandpa in 1972. Since then, I have lost track of many of my wonderful cousins. I hope we can reconnect.

I remember your family name. I am deeply sorry for your loss.

Your cousin,

Sue Tiffany
