

Juanita Tramel

June 20, 1926 - November 17, 2011

June was the eldest of her ten siblings; Darrell was the fifth of his ten siblings; they married and had one son, Darrell Allan. They lived in both Lubbock and Snyder, Texas and relocated to Prescott, Arizona in 1963. They settled into the area and began attending First Southern Baptist Church, which they have remained members of for over forty years. It was here that she began to find her new roots and make life long friends. With the many church activities and volunteering opportunities she was involved in, she became planted. She took a job at Prescott High School in the attendance office. Many a high school student passed by her window and, when she retired after 22 years, she'd meet former students that would tell her how she had touched their lives. She continued with volunteer work in the community for many years, much of it at the Chamber of Commerce. June is survived by her husband, Darrell; son Allan; grandson Ryan; grandson Dustin and his wife Katie and their daughters Ivy, Vera, Roxanne. She is survived as well a large family of Hamilton's and Tramel's. Our family wishes to thank you for those valued friendships, care and support over the years. And especially the staff of the Marley House that made her journey home to God comfortable and peaceful. In lieu of flowers; gifts should be directed to Good Samaritan Marley House.
