“ *I use to be the Attendance Secretary at MOS a few years ago, and fondly remember JULianna coming into the Office to pick up or drop off her siblings. She was a great addition to the staff at MOS I am sure. I am so sorry for your loss. Having lost children myself, I know how devastating this can be and please know that your family is in my thoughts and prayers. MOS and the children and families that make up the school are still so very special to me. I know they will all be missed. God Bless.*

“ *On behalf of Sis Ysidra Lesperance I would like to share a little story about these beautiful children. They came to visit us in Queen Creek with Bro Hersh and Sister Hersh about 9yrs ago. Jessa was just a baby. They wanted to pick oranges from the citrus trees. All the children had fun picking lots of oranges. They were sweet and respectful children. They were full of so much love. They all had such a kind and loving spirit. It seems just like yesterday we were with them laughing and having a good time. May God give peace and comfort in this difficult time. My husband is welcoming you three angels up in paradise.*
