“ *Keith was a good friend. I met him when he shopped in Crawfordsville Indiana at Thrifty supply . He spoke highly of his wife and daughter and also his Harley !! He loved life and I was always glad to see him when I knew he was struggling with his health but always had a smile on his face. You all have my heart felt sympathy. It is an honor to have met such a kind person and veteran . Job well done Keith my friend. The Angels are pleased to receive you into Gods hands !! Hugs and prayers .*

“ I have lost a very dear friend. I have know Keith for something like 20 years. Keith was the sort of guy that would drop whatever he was doing and come to my aid if I needed help and I would do the same for him. Keith and "Indian Mike" and I spent many hours of great times riding big cruiser motorcycle and went places and saw things and had a great time, one of the most enjoyable times of my life. We were like the three musketeers.

I regret I won't attend the services. I don't do Funerals well and it would be too emotional for me to attend. I will be there in spirit but I have to mourn in my own way. Hope this service will be of good memories and a celebration of his life, rather tearful mourning.

I offer my sympathy to all the family and friends for their loss. I will sorely miss my good friend.
