“ *Of all of the brothers that we have known, we were the fondest of him because of his love for the Lord and God's people. He was always interested in the deep things of God, and we always felt a kindred spirit with both Ken and Joan. We will truly miss him, although it won't be for long. Soon we will all be sitting at the feet of Jesus. Much love, Mr. & Mrs. James & Lorie Holleman.*

“ *Ken was a true gentleman. He was generous to a fault and had a heart of gold. Even when things weren't going so good, he always had a winning smile. I was an honor and a privilege to have his friendship these last 20 years. Mr. & Mrs. Fred & Cherri Holleman*

“ I remember Kenny quite well. Went to grade school with him at Good Hope when we lived there, until we moved to Carthage. I am now in Sanford, NC after 35 years in Fredericksburg VA and wanted to get back to the last class reunion of Northwestern. I would have loved to been able to see Kenny had he made it back. He is exactly one year older than me, same birthdate, but we were in the same class. I'm so thrilled to know that he was such a Christian. I recall being in the same church in Good Hope together. Some may remember a pastor Rev Fred Ruekert and to this day I hear things that he taught us when we were so young and those things from the Bible are so true still to this day. Kenny and his brothers pretty well matched me and my two brothers in age and grades. What a shock to read this in the Macomb paper but with the events unfolding today I anticipate and look forward to meeting Kenny again on the other side. My condolences to Lindy and Randy as well as the rest of Kenny's family. God Bless you all. I saw Jeanette McFarland's comments, brings back a lot of memories. Miss Good Hope. “ I have so many fond memories of Kenny when he was in Good Hope Grade and NHS. Our family had a lot of fun during Halloween. I remember when he cut his toe off with the lawnmower and brought it to school to show everyone. The girls didn't really appreciate it. He had a wonderful sense of humor and was a great man. My sympathy to Joan and her family as well as Lindy and Randy and their family and loss. I know he will be missed and I was honored to have known him. God Bless.

“ Kenny and I went though our entire schooling together from Good Hope grade school to Northwestern High. And spent every Sunday at church in the morning and many times in the evening at MYF meetings and outings. It is comforting that Kenny stayed with his faith and grew stronger as well. He will be remembered by so many and missed so very much by family and friends. As our graduating class gets older more of us are meeting again "on the other side" perhaps Phil Guarin who passed last year was there to greet Kenny and reminisce? Blessings to all of the family. “ Always looked forward to the hunts we went on as the years went by we would sometimes just talk about church, family or friends. Ken always was concerned about a persons standing with the Lord and would help anyone to a better life with him. Our hunts will be missed but not as much as the person who talked so freely about his Lord and the ways he met the needs of people in his life. Brother Lindy

“ Kenny wasn't only my blood brother he was my spiritual brother. In 1978 he shared with me about how he had accepted Jesus Christ as his Lord and Saviour. I was so amazed at the CHANGE in Him that I accepted Jesus also. That was the start of a life changing life for both of us. We would call each other and we always talked about the Lord Jesus and what he was doing in our lives. We were very close because of this! During this time of celebration in Kenny's home going God has given me grace and Mercy to handle it. I have spent much time allowing God by his spirit to bring memories back to me. At this time I want everyone to know that I loved my brother more than you can imagine and that I thank him for all he has done for me. If you want this kind of peace just tell the Lord that you are sorry for all that you have done wrong and accept what he did on the cross for you!! No one Loves you that much to die for you but He did that you would have a Blessed life now and one to come forever!!

Enjoy Heaven Kenny I will get to see you and the rest of the family when I have completed my tasks!!

“ *Kenny was not only my blood brother but he was also my spiritual brother. In 1978 He told me about how he had accepted Jesus Christ as not only his savior but also his LORD. He came back to illinois and I accepted Jesus also. It hasn't been the same. The Holy Spirit has been our comforter and our Strength. It isn't about church or even words of the Bible it is about a personal relationship with the one who created me. At this time of Celabration in kenny's life My God by his Spirit has given me peace, grace and mercy. I praise God for My Brother Kenny and I thank him for all he has done for me. (introducing me to Christ). It is one thing to say words but it is another thing to allow The holy Spirit to take control of your life! If you want to experience it just repent (Lord i am sorry for rejecting you) and ask him to be Real in your Life. I make you Lord over all that I am and All that I do. Study his word and do what it says!!! Simple but the hardest thing you'll do! Enjoy heaven and I'll see you in awhile Klenny!!*
