“ Tony was a favorite cousin and a true friend.

*He encouraged me to organize three Bigelow reunions, and helped me get started on family genealogy.*

*He and Sally often visited and we were good friends along with our connections to the Bigelow family.*

*He would surprise us with a drop by visit; that we enjoyed.*

*I sorrow that he is gone.*

“ One of the nicest memories I have of Tony is when my parents were out of town and my dog (Suzie) was run over and killed. Tony stepped in and made a wooden box to bury Suzie in. I was only 15 at that time and it was very traumatic for me. I am very thankful for the Bigelow family. God bless you Laurie and Becky.
