“ *Mavis, I am so sorry to hear of Larry's passing. I will ALWAYS remember Larry, and those days he was our patient. I really enjoyed our morning chats. He would come by my office each day, to say good morning, and make me laugh. What a great guy. Kathy Williams*

“ I will remember Larry as being a happy and caring person always laughing and joking. He will be missed by everyone and like Donnie, will leave a big hole in our lives. Larry always called Donnie "Little Brother". We have faith that the two brothers are together again in heaven and we will see them soon. I have heard it said that a thousand years here is but a day in heaven. I want to thank Mavis and all her family for the wonderful home, love, and family you gave Larry. He was truly blessed these past years with all of you. God bless and give you comfort. Love, Carol Sedberry
