“ *Thanks to one and all for your gifts, kind thoughts and prayers. Although I carry on the same name as my father, I know I will never be as great as he. His gifts to me and to everyone he knew were many. I was with him almost every day when we worked together. His talents will be remembered forever. I love you very much, Dad. Leon F. Cardini II*

“ *(nephew Raymond Czaja.) All though many miles separated our families the love in our hearts stayed close. I remember Uncle Leon as someone who when you spoke to him he would make you feel good inside and that you felt better for spending time with him.. I felt his love when I was with him. All my love Ray*
