“ *Letha-you will be missed!*

I'll always cherish our conversations and lunches together. We had some pretty deep talks and your godly advice was important to me. I praise the Lord for our last visit together a couple days before you went home to be with the Lord. I remember the last thing I said to you that day was that the next time we visit will be at your home. Yes, we will get together again, Letha, at home - in Heaven! And I will finally get to meet Joe who you spoke so much about and missed so much! What a reunion that will be!

It was a blessing to have known you!

*Love, Peggy
(and Cliff, too!)*
