“ *Mother mother mother oh how i miss you!!! I wish you were here for so many things, i feel so lonely at times its tougher than ever to not have you here when i really need you!!!!!! I didnt realize how hard life would be as i grew without you and hit certain milestones like having my own children and going through wat i have makes me stronger but knowing wat ive lost and it makes it so much harder to think about i cant believe 10 years has gone by so quick and that ive even made it this far with out you!!!!!!! I miss you so much and i jus wish i could have told you these things in person i wish i could hear your voice one last time and give you one more hug or tell you how much i love you everyday jus know that even though its been so long you are always in my thoughts and in my heart even though were apart a piece of me is always with you please just love him and take care of him like you did me show him wats its like to have a mom!!!!!! I LOVE YOU MOM TO THE MOON AND BACK!!!!!!!!!!!!*

“tia i kno you're in a better place now and it puts me at ease to kno you're not suffering and that now you're watching over all of us. i kno little stephen was right at the gates of heaven waiting for you and now you're there taking care of him. i want you to kno that i love you and i'll always carry you in my heart. i miss you now and forever tia!!! but i kno you'll be there waiting for me when i get there.
love always
sharon

*i kno it's been a long time and i was young when we moved away but i kno you're in a better place now watching over me from heaven with little stephen. i wish we could've been closer. but when i get there we'll be a family again llike we used too.
i love you tia
love janie*

“ Lisa
It breaks are heart to know that you are no longer with us.
and yet to know that you are now in a safe place, where no harm,
can go your way.
so much was left unsaid from the time we saw you last. But we see
it this way
we at some time, well all see each other one more time.
rest in pleace knowing that your little one are being taken care.
Lisa, we loved you no matter how you were and you knew that.
Rest Little one
Love you
Your Tia & Tio and Paul Ochoa

“ Mom I miss you so much. I would have never thought that this would have happened to you. I still cant believe that this is true. It kills me that you are not here with me but you are now in a better place and i am very happy for you. I always thought that after all you have been through that you were a trooper and you were but i guess this time it got the best of you. You were a very strong women and i look up to you for that! I LOVE YOU MOM ALWAYS~N~FOREVER!!!!!!!!!!

Love Always
Your Daughter

“ Mom, wow well here we are almost 3 whole yrs later. It still kills me every single day that your gone. I would give anything in this world to have you back again i miss you with all my heart. I would give anything just to hug you or kiss you or even tell you i love you and for you to say it back. Theres not a day that goes by that i dont think abt you. I could really use you here now more than ever becuz im pregnant. Your gonna be a nana mom i just dont kno how ima do it here in this world without you. I dont kno wat ima tell my kids when they ask abt you> How am i raise this baby knowing that he is missing a part of me. Waht abt labor you will be there i kno you will. i love you mom with all my heart and this baby is gonna love you just as much as i do. love always
your daughter
