“ Louise was a sweet and caring resident, she always had a smile on her face. She would sometimes get other caregivers and or residents smiling as well. She would hold up her arm and say See how strong I am and that brought a smile to my face but she was very sweet and nice. We will always keep her in our hearts and memories and cherrish her forever. She will be forever missed.

“ Louise was the Sweetest, Kindest resident I ever had the pleasure of knowing. She always had a smile on her face and in her Heart. Also a wonderful outlook and sense of humor.I miss her very much, but I know she is happy and looking down on all of us with the same Joy in her heart she always had here on Earth.

“ Louise was the kind of person that never had a bad thing to say about anyone or anything. In fact she usually made my day I love her and miss her.

“ We met Bob & Louise when they built their home on Sommer St. in Prescott Valley. We became fast friends and stayed in touch even after we moved to Washington. Their ties to Washington & Oregon made us even better friends. I will miss them. I see Louise every day in the gifts I have from her. She was so special in her thoughts. My condolences to her precious children.

“ After my father died , Louise was the only one kind enough to write letters to my mother. No telling how many afternoons I read those letters to her. Mom could not remember my name , but she knew those letters. Read it right (she would say if I went off track. A thanks to all that put up with me and allowed me to attend .
