“ *Pastor Joe, Chris and Angela,*

My thoughts and prayers are with all of you during this difficult time. I won't be able to attend Marilyn's funeral, but please know that I will be thinking of you and praying for you. She was a wonderful wife and mother and a dear friend. She will be greatly missed. You've all had a very special place in our family and my heart aches for all of you knowing the pain you feel. She's in a much better place free of pain and suffering, but I know how you all feel losing her. I have sent hugs to all of you through my family and really wish I could be there tomorrow. Please know if you need anything I'm here for all of you. You're all very dear to me, and I miss you all very much and love you.
