“ *Merle had a heart of gold, and a good sense of humor, it was a little dry but as you got to know Merle, you soon found out what great guy he was.*

He used to make comments about his boss eating peanut butter and bologna sandwiches, until he tried one. That's all it took! From that point forward, that's what was in his lunch sack.

Jo, Brenda, & Gail, we are sorry for loss. Merle was was a wonderful man. We wish we could be there for the service but we moved back to CA december 2017. Holy Hugs, Chuck and Janice Allen
