“ *Pete, Shirley and Tony,*

I know what joy Nicholas brought to you all. I will always remember him at the games or in my kitchen wanting something to munch on and complimenting with every bite. You are all in our thoughts and if there is anything we can do let me know.

“ Nic will always be in my memory performing Whitney Huston's "Hero"-he is indeed a hero in the way he lived his life and shared his love and laughter with all those around him! I am grateful I could be a part of Nic's life for a while-thank you Shirley for being a wonderful mother to a very special young man! Peace and Blessings,

“ *Peter, we are your friends from your Toyota days.*

We're so very sorry about Nicholas. We knew how the two of you loved him and how your loving care was what kept him going.

Such a huge loss in your family. We think of you and pray for you as you face this time in your lives with courage and acceptance.

Peace, Joy, and Love to you, always.

“ To the Nicastro family,

Our deepest sympathy to all of you on the passing of your son, Nicholas. God works in strange ways which we don't always understand however," though we know heaven has welcomed a very special person, our hearts are filled with sorrow."

Our belief is that TIME heals these wounds, but "belief" is the only thing that pulls us through these times.

*With Sympathy and Loving Prayer,
