“ *Just discovered this notice of Nim's death in 2015. I was the drummer in our band, as mentioned in the previous post by Branden, the son of my closest friend and lead guitar player, Eddie Paris. Haven't connected with Nim since our rock band days. Neat guy...hope he had a good life, and hope Jesus was his savior!*

“ My mother gave me this picture and tells me the taller guitarist is Nim Woodring. My father is the other guitarist Edward Paris. He passed in 1990. The drummer is our family friend Dennis Running. It was wonderful to come across this as my brother and I both play guitar and I hope it brings you good memories for you. God bless you, Brandon Paris.
