

OMAR OCEGUEDA

July 11, 1989 - July 6, 2024

"Omar Ocegueda was born in Los Angeles, California on July 11, 1989. He had a loving family consisting of his parents, Francisco Javier & Leticia, and his little sister Ariana. Omar loved his family; he was always there to help with anything anyone ever needed. While in elementary school, he found his passion in painting. He was so good at it that in the 3rd grade, his teacher recommended him to Cal State University to take art classes for gifted students where he often won 1st prize for his paintings that would be then displayed in the halls. He carried that passion until his passing, always starting up several projects, some of which he left unfinished. In 2001, Omar and his family moved to Prescott Valley, AZ where he went to middle school at Liberty Traditional, and then moved on to Bradshaw High School where he graduated and got his diploma. He went on to attend Yavapai College where he graduated with a diploma in Graphic Design. Later in life he went on to become an electrician, which he did until his passing.

Omar absolutely enjoyed everything about the outdoors. He loved to go hiking, swimming, kayaking, camping, spontaneous trips with his friends to the ocean and to several national parks, he even went sky diving a few times. You name it, he loved to do it. Every weekend you could always find him at a different river, lake or mountain doing the previously mentioned activities. Omar was a huge extrovert, and he ALWAYS had a big, bright smile on his face. He had such a happy, fun and bright personality, you couldn't even begin

to count all his friends on 2 hands. He had the best, brightest soul, always taking time to include everybody. Even his friends' kids referred to him as "Unkey Omar". You'd have a difficult time finding someone who DIDN'T like Omar. Omar leaves a huge hole in everyone's hearts who knew him.

The Ocegueda family is very grateful for all the company, support, generosity and above all, all the prayers during these very hard times.

Fly high, until your next adventure.

We love you so much."
