“ *RC was an amazingly warm and gentle soul. Something you don't often find in the world today unless you're really looking. He always gave you the time of day and shared his best with you. Even if you were just being introduced, he made you feel as though he had been present in your life all along.*

He had an amazing family that all inherited his trademark warmth and kindness. It was an honor to know him.

*RC will always be remembered for his love of family. He was proud to be a Papa, Grandpa and loved his four children equally. He and Sue had many wonderful years together and he will be missed by all of us. Until we meet again RC, God Bless you and pray for all of us still here.
