“ Ray was a good model of a man in balance. He worked hard to provide for his family, and lived an upright life in the sight of God. He always had a ready smile and laugh for Steve and I as we lived through the mischief and wonderment of our youth. This country needs more men of courage and conviction, Ray was a good example...

“ Ray was a highly regarding man among his men friends and us ladies. He was a matter-of-fact and no nonsense kind of guy that gave you confidence in his opinions. Every time I go to see Jane and Dan Lee, as I start to back out of the driveway I think of Ray. He left his "mark" (or maybe more than a mark) on the mailbox. He will be missed by ALL of us.

*Remember, Joanie, we widows must stick together. We are there if you need us.*

“ Dear Joan, Steve and Kathy,  
I am so sorry for your loss. I will always have upmost respect for Mr. Loomer. I remember him working on his computer before anyone knew what they were. I use his quote daily on my own children "I HATE KIDS" in the same joking manner He would use when Steve and I were causing mischief. He took Steve and I to baseball games and the first concert I ever went to. He did little things that I will always remember. God Bless Mr. Loomer and Family, He will not be forgotten. Kurt & Family..
