ME

“ This man was an amazing person and father figure to me. He was of catholic faith, very active in his church where he also worked at St Germaine church for many many years, you would never catch this man sitting. He said there's too much to be done from yard work to remodeling his home and church projects etc. and was a big Cowboys fan, enjoyed his horseshoe tournaments which he happened to be very good at , with multiple trophies obtained ! He enjoyed his trips to Roswell NM at least 2 times per year as I'd go down in the winter time due to bad weather. This man was a wonderful Husband, Father, grandfather who adored little Johnny and Priscilla (he brought them up a lot , brother, uncle, friend, neighbor and overall human being who is now in heaven with his love of his life Eulalia Contreras Lara and first wife , sons Robert Lara Jr and Jimmy Lara , grandson Johnny Lara who departed after his passing way too young leaving lots of broken hearts and the rest of the family ! You are missed daily and your memory will be kept alive as long as I have breath in me 🙏😊 I thank his close friends who made his life a little brighter even if it was over the phone. He appreciated you all so much. Just sharing a few things that were left out on obituary since I was miles away. My thoughts and prayers go out to His sons Ralph Lara, Parish Lara, Johnny Lara,

“ Grandpa Lara was a great man, a man always willing to help if someone was in need. He once told me as a teenager that if I don't change my ways I will either end up in jail or dead and Grandpa Lara was right. I did change my ways and for the better thanks to you Grandpa Lara, you will always be someone I look up to and I hope that one day I can be as great of a man as you were. May you rest in peace and you will forever be missed.

I Love you from,
