“ *I was very saddened to learn of Bob's passing. When I last saw him, he said that he was moving back to Iowa. Bob was a joy to know and he was always a great volunteer to help out at the annual Farmer For a Day booth. Surely he will be greatly missed. My condolences to Jeannie and the rest of the Mogler family.*

“ *Jeanne,
I was so sorry to hear about Bob's passing. I stopped into Wal-Mart to get a couple of things and the girls told me. I know it's got to be hard, you can never completely prepare yourself for this time. Just to let you know my prayers and thoughts are with you at this time.

“ *I just wanted every one to know that Bob was a good hearted man, that could talk your ear off with stories of his life. He was always smiling, and friendly with everyone. He will be so missed and I will always remember him.*

“ A Great guy will be missed. He touched the lives him came in contact with. A caring person filled with love. He is with his Lord with no pain, visiting with past loved ones. Take Care My Friend. We will meet again someday.

“ Dear Mogler Family,
I wanted to write on behalf of my dad Paul Hanna who was blessed to have Bob as his roommate at Prescott Samaritan Village during Bob's last year. Bob was a wonderful friend to Paul, so friendly, and such a great companion for my dad. Bob always had something good to say, and was always interested in what was going on with my dad. Even though Paul had difficulty with words due to his stroke, he and Bob found a way to communicate about the day's events and about their past experiences, including serving in the Army. I remember once when my dad had to wait in the hall for a procedure, Bob waited with him just to relieve the boredom of waiting. Bob joined us in September for dad's 92nd birthday as an honored guest at his garden party. From all I learned about Bob, he was a wonderful man, served his country, worked hard, and took care of his family. We are sorry to lose him and send our love and prayers to you, his family.
