“ AuntRose, The best time of my childhood was when Bob and I stayed with you and Uncle Bob in Circleville. Those memories will stay with me all my life. You never forgot my birthday ever year and of course I saved every card you sent me. The gifts you gave me were never worn or used because I was afraid I loose them and wanted to have them to remember you. They are marked with the date you gave them to me. That's how much you meant to me. I'll never forget all the laughs we had, the things you taught me throughout my life and the things we did together. I thank you with all my heart for what you've done. I thank you also for the gift of having Joe and Sandy in my life. I will always love you.

“ Rose and Rob, Joe and Sandy's parents passed to Joe, one of the most valuable gifts parents can leave their children...over half century of family photographs. While I so enjoyed Rose in the past years, I learned much about her life through the pictures Joe so lovingly scanned and moved to CD for his mother to enjoy. During that major labor of love I was made privy to a women who was truly a loving mother. Oh how she loved her children! The homemade costumes worn in parades in their hometown in NY., birthdays, Christmas' family celebrations, picnics and vacation as well. Rose was a very special woman. I loved her and will miss her. Bless you Rose. Rest in peace.

“ Joe & Sandy:

Very sorry to learn of your mother passing. I have very nice memories of the times I would visit you and your parents. Because they were so kind and hospitable, as all seemed to be in Circleville, I always made it a point to be that way when my children had guests at our house in Marlboro.

“ Mom (and Dad), WOW, what a journey! I feel honored to have been your son. I thank God for the privilege to have been present when you both finished your mortal time on this Earth. I know you left in peace and moved on to your next experience. Thank you for the many lessons I've learned from your teachings.

“ I remember Mr. & Mrs. Snyder from growing up only a few houses from where they used to live in Circleville, NY. My father (now deceased) loved the name of their collie, Lady, and named his last dog (a shepherd mix), Lady, who I still care for.

Both Mr. & Mrs. Snyder were very kind and caring of all of us neighborhood children. I have many happy memories of playing in their yard and basement.

Sandy and Joe and their respective families have my deepest sympathy at this time of great loss.

“ *Aunt Rose was one of a kind. I have many fond memories of the times I spent as a kid in Circleville, the trip to Atlantic City, or the visit to her mother's home in the country where I first heard owls hooting. It's a shame that everyone headed West just as we moved East!*

It gives me comfort to think of Aunt Rose now in a place where she is free of all the pain and medical issues that troubled her for so many years. I love you Aunt Rose!

“ Rose was a lovely person, we visited via phone and Christmas and birthday cards. Sometimes a get well card, when she was not feeling in tip top shape. I enjoyed the picture of her, made me feel closer to her. May God rest her soul. Amen
