“ *Great Husband and Father and friend. I always looked up to and respected the love and kindness that I always saw with Russ early in my life. It helped me rise above what I saw and went through when I was growing up. Was truly the first father figure that I saw and remember that I wanted to be like and raise my family to emulate, a lot of mistakes doing so but always forgiven and for those that forgave I'm truly grateful. Thank You for all the things you've done for me and my family. Great man and will be missed by all that ever had the honor of meeting Russ. Judy my thoughts are with you and your family.*

“ I will always remember the time we were in Laughlin when Russell won \$2,000 at the Blackjack table. He had a side bet of \$5 on Lucky Lady. His eyes were as big as silver dollars when he realized he had won and he couldn't wait to get up to his room to tell Judy. Jim Hale

*I also remember the good times the four of us had in Laughlin. The thing I remember most was that we always set a time and place to meet before a meal. But when we gathered at the place there were only three of us, Russ was always missing. One of us would stay at the designated spot while the other two went looking for him. Judy would always scold him but he would come back with " Well, you can't leave a machine when you're winning!" Sue Hale*

*He was a wonderful friend and we will miss him tremendously.*

“ I will keep Russ in my prayers and ask the good Lord to save a spot near him for Russ. I worked with Russ at Motorola for most of his 30 years. Always a gentleman and a smile on his face and a helping hand if needed. It was my distinct pleasure to know him. Vince Salotti

“ So sad to hear of Russ's passing. He was the first person to become a friend when we moved from Mn. to Phx. 30 years ago. What a great friendship was established between the four of us. There are so many memories. Like watching fireworks from our roof. Dick and Russ peaking through the back fence!!! Our doors were like swinging doors as we passed into each others homes.

*Judy, our love and prayers are with you and your family.*

*Thank you to Russ for reaching out and making us feel so welcome in a strange place, you will be missed.*
