“ We often saw Sam while walking our black lab, Lucy. He always had a big smile and friendly "hello" for us. Even when I kidded him about the U of A beating UCLA. Our sincere thoughts and prayers to Mrs. Ferlazzo and family

“ Sam was always one of the friendliest guys on the ball field. Although we only saw each other on the ball field for friendly competition and easy teasing I considered him a friend. I deeply regret that I will be out of town for his memory service. I will truly miss Sammy. Gene
