

## Samuel Alfred Risaliti

June 23, 1943 - June 8, 2026

Samuel Alfred Risaliti I was born June 26th of 1943 and passed peacefully June 8th of 2026.

Samuel was eclectic, knowledgeable beyond his years, experienced in many trades, and above all else, kind and loving to a fault. Samuel loved his family and enjoyed living vicariously through his daughter's travels, his grandson's guitar ability, his son's auto body talent, his great grandson's football skills, and so many others. He continuously expressed what a good life he has lived and how thankful he was.

Samuel did not know a stranger, he loved people and loved learning about them; their experiences, and how they ended up there, in that moment. Within the last seven years, Samuel met and made many friends in Prescott Valley at his apartment building; some would say he was the official social butterfly. He met so many people that quickly became friends; he appreciated them more than they know.

Samuel was preceded in death by his sweetheart; Brenda. Samuel never missed a moment to share stories or memories of his beautiful bride. Samuel and Brenda had a love story for the ages; Samuel is now back with his sweetheart, as he always wanted to be.

Samuel is survived by his daughter Pamela Risaliti, his son in law Rick Maggard, his son Samuel Risaliti II, his daughter in law Rebecca Risaliti, his grandson Samuel Risaliti III, his granddaughter Melissa Risaliti, his four great grandsons, and his great granddaughter.

He was so very loved, cherished, and will be so very missed.
