

Sharon Cobb

January 17, 1955 - January 24, 2020

On Friday, January 24, 2020, Sharon Carleene Cobb/Young passed away unexpectedly at the age of 65.

Sharon was born on January 17, 1955 in Great Bend, Kansas to Dale and Alda Scheib. She was the third of four children, raised in Albuquerque, NM. She graduated with a degree in Economics from Western New Mexico University. She married Michael Allen Cobb in Silver City, New Mexico. Over the years, they lived in Silver City and Albuquerque, New Mexico, as well as Mesa and Prescott Valley, Arizona. Together, they raised two children Jason and Kristin. After Michael's passing in 2001, Sharon later married Greg Young. Greg and Sharon made their homes in Chino Valley, Arizona, and on the shores of the Sea of Cortez in Mexico. She loved Greg's daughters, Melanie and Ashley, as her own.

Sharon's passion was for prayer and hospitality. She consistently cooked enough food to feed three times as many people as would be at any event. She could make friends with a stranger on a plane, and would be praying for them within just a few minutes. She lived for the ocean, as her favorite moments were walking along the beach, sailing on the open water, and enjoying the sea life below. Her dream was to retire and live close enough to the beach that her most important task for the day was a walk to and from the shore. She worked hard, always willing to take on another project, and

complete it to 100% of her ability. Her incredible heart for others was complimented by her intense stubbornness in all things, especially love.

Sharon was preceded in death by her parents, her youngest brother Steve, and her husband Michael. She is survived by her husband Greg, her children, Jason, Kristin, Melanie and Ashley. She is also survived by her sisters, Linda and Debbie. She was blessed with eleven grandchildren who adored her, and many wonderful in-laws, nieces, nephews, and friends.

A memorial service will be held on Friday, January 31, 2020 at Sunrise Funeral Home at 8167 E Highway 69, Prescott Valley, Arizona 86314 at 11 AM.

“ To Sharon's entire family, I'm so very sorry for your huge loss!! It was too sudden! I was a friend of Sharon in High School & cheerleading and some college. She was a lot of fun, and had a big smile! When she smiled her eyes squinted up and you felt her love. I remember she'd get embarrassed and turn the brightest red! I also remember her '57 Chevy that she drove in HS. The steering wheel was so big and her little head barely could see over the dash board. I think it was turquoise. She was always a little thing and I was tall, so I'd feel like mutt and Jeff sometimes walking together:) In college we were in the same dorm and she made me a BD cake when I finally turned 18. She was always thoughtful. Then we went on a ski trip to Ruidoso, NM with a group of friends... it was my first time to ski ever and she had her own skis! I was impressed! She was always a friend with a big heart. I pray that her life was honored well today, and know she's seeing all her loved ones in heaven and someday we'll see her again too. Blessings and Gods' comfort & peace to all who loved her well. With love, Lynn (Kohlman) Walkowski

“ I went all through high school with Sharon and we were cheerleaders together thru most of the years. I literally could never keep up with her. She was always exceeding in everything she did. Sharon the girl that every boy wanted to date. She always had a boyfriend too. I have never laughed so much when I was around her and she was the funnest to tease.. she would always take it seriously. I have felt bad I lost contact with her and haven't seen her since our 20th reunion. Love her and want her children to know they had a wonderful mother and a dear friend to all. Life does go on after this life. Know you will see her again. Love to all the Young, Sheib and Cobb family. Nancy Leishman Christensen. Class of 1973. Eldorado High School

“ Dear family,

I wanted to send along my heartfelt condolences to the family. Sharon and I were best friends in junior high. I don't think there were many weekends we didn't spend together. I remember her mom being very strict about cleaning the house every Saturday before we could do anything. As a matter of fact, that is where I learned how to "properly" clean a toilet. :-)

I've added a couple of pictures I dug up. One is our senior year when a bunch of us "kidnapped" her early in the morning for her birthday. We put lipstick on her face, left the bedhead, put on crazy clothes and paraded her through the Media Center at school (it was a thing back in the day).

I have many happy memories of those days and I know the family has many more. I pray that you will keep those memories close to you as you venture through your grief.

My prayer today is for a beautiful service celebrating a great life. I'm sorry I can't be there.

“ Greg and family, while I will be calling Greg, want to also place these sentiments. As a mfg rep for Vaporless, I was privileged to get to be around Sharon on some occasions and to speak with her by phone; I always enjoyed those moments or minutes and was always touched by her kindness and sweet Godly Spirit. My heart went out to all of you when learning of the unexpected event in her life. However, I look forward to that glorious event in my life when I, too, will see my Savior face to face. Will continue on in prayer for God's closeness and peace for the days and months ahead. Respectfully and with love, Joel Richards (Joel Richards & Associates).
