“ Sue,

You stood by me through my last months with Kim, and Steve made it more bearable just by being there - and those amazing hugs! He always knew when I needed one. I wish I had known what you were going through with him - and I wish I could be there for you like you were for me.

Love is stronger than death - I know that now - but the pain of such a loss goes deep. Give yourself all the time, tears, and yells you need. Take care of you!

My heart is breaking for you.

I can imagine him and Kimmie riding around, beer in hand laughing out loud. What a pair!

Love and hugs - to you,

Dara

“ I never had the honor of meeting Steve, but my best friend Tom Cantine spoke very highly of him. That means that Steve was a great man.

We will all meet on the other side.
